

What We Believe

Mission Statement

The Redmond Area Park and Recreation District shall contribute to the community through quality aquatic and recreation programs, facilities, parks and open spaces. To accomplish this goal the staff shall:

- Provide opportunities for fun by offering individual and family oriented activities.
- Offer programs that enhance self-esteem and well being.
- Encourage and reward participation over abilities for novice participants.
- Encourage an appreciation for the natural environment.
- Provide quality athletic experiences appropriate to age and ability.
- Ensure recreation opportunities for all ages and abilities.
- Ensure responsible stewardship of our financial resources, park and natural areas.

Vision Statement

The Staff and Board of Directors at Redmond Area Park and Recreation District shall develop long range goals and plans to enhance the recreation resources and opportunities to its patrons. We will achieve this by:

- Maintaining a systematic and balanced approach to planning, development, and rehabilitation of parks and recreation facilities.
- Promoting partnerships within the community for using facility and program resources to meet the growing demands for recreational and leisure services.
- Using citizens and patrons in collaborative processes to establish and focus priorities.
- Cooperate with the City's investment in parks, open space, and recreational facilities, emphasizing user safety, accessibility, aesthetic quality and education.
